

# Flower range

## WE INTRODUCE YOU TO OUR TEAM

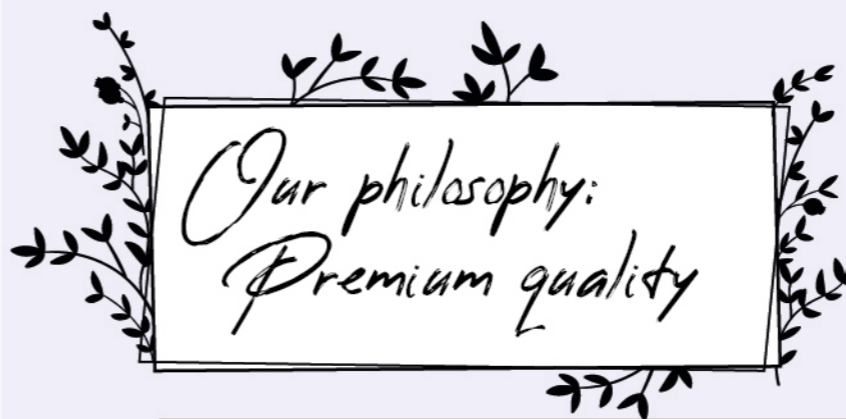

It is with great pleasure that we present you our new flower brochure. It will give you the chance to see our newest additions to our range, and maybe discover again older varieties that you might not know already!

We stay at your disposal for any information or support you may need, and we thank you for the trust you have chosen to place in us.

## TABLE OF CONTENTS

Our philosophy: Premium quality.....	p.3
Sunny novelties.....	p.3
Awards.....	p.4-5
First year flowering Perennials .....	p.6-9
Annuals.....	p.10-11
Other Annuals .....	p.12
Other Perennials .....	p.13
Flowering for terraces and balconies .....	p.14-15

The highest performing Clause varieties for the garden are given the Premium label. Flowers available under the **PREMIUM** label are of **equally high quality**: they produce more flowers and are easier to grow. Their garden performance is also remarkable.

## GUMMY BEAR

Discover our newest Gold Medal winner! Praised by Fleuroselect judges for its innovative colour, excellent growing performance and attractive double flowers.

*Impress your neighborhood!*

Sunflower Gummy Bear

## FIREFOX

This is our newest variety, perfectly suited for pots. Bicolour, dwarf plant, double flowers... the name Firefox has never been better worn!

*Fire can be sturdy!*

Sunflower Firefox

# Awards

Sunflower Suntastic® F1 Yellow with black center

## THE FLEUROSELECT GOLD MEDAL

HM.CLAUSE is a member of Fleuroselect, the International Association of Breeders and Distributors of flower seeds, which goal is to stimulate variety innovation.

The Fleuroselect Gold Medal is awarded to new varieties that surpass existing varieties in terms of beauty and innovation. This award symbolises excellence in breeding.

New varieties granted Approved Novelty status have been recognised by the judges to be sufficiently different and new versus existing cultivars, and very uniform.

Sunflower Gummy Bear

Papaver Pizzicato

## RHS

As a charity, RHS is an organization whose purpose is to demonstrate how gardening is good for us and explain the vital role that plants play.

The award of Garden Merit is based on plant performance in growing conditions in the UK.

A panel of expert judges gives the assessment after trialing and evaluating the best and reliable garden performances.
